KOBELCO

The 21st KOBELCO
Service Technical Contest

Be The Global
Leading Mechanic!

DATE

2025.10.21 (Tue) – 22 (Wed)

PLACE

Technical Training Center

Contest Slogan

“Be The Global Leading Mechanic!”

Thank you for participating in Service Technical Contest.

On the occasion of the 21st Service Technical Contest, I would like to extend a warm welcome to all the top service technicians who have gathered from around the world.

This year’s slogan, “Be The Global Leading Mechanic!”, reflects our strong desire for each of you to go beyond the competition and become a driving force in enhancing service capabilities within your respective regions.

This contest is not only a stage to aim for the world’s top position, but also a place to cultivate leaders who contribute to the improvement of global service quality through their skills, knowledge, and professional attitude.

We hope you will fully demonstrate the abilities you have developed through your daily work, inspire one another through competition, learn together, and above all, enjoy the experience.

Let us all commit to safety first and ensure that every participant completes the contest without incident.

Yu Akagi
General Manager
After Sales Division
Kobelco Construction Machinery Co., Ltd.

DAY1 Troubleshooting Grouping

- With after treatment device task - KCME / KCMU / KCMTS / KCMJ
- Without after treatment device task - KCMSA / KCMA / KCEI / KCMC / KCMMEA

DAY2 OVERHAUL Grouping

- Group1 (With after treatment device task) - KCME / KCMU / KCMTS / KCMJ
- Group2 (Without after treatment device task) - KCMSA / KCMA / KCEI / KCMC / KCMMEA

■ OUTLINE OF THE COMPETITIONS

► INSPECTION, MAINTENANCE AND REPORT (Individual competition)

Competitors are requested to do	To be marked	Time (min)
● Inspection and machine maintenance	● Safety work ● Maintenance procedure ● Maintenance quality	70
● Make a report to customer	● Pictures necessary for the report ● Accuracy of proposal in the report ● Achievement	50

► TROUBLESHOOTING1 (Individual competition)

Competitors are requested to do	To be marked	Time (min)
● Troubleshooting and machine repair	● Safety work ● Speed ● Achievement	60
● FSR creation	● Correct, clear, and concise report	60

► TROUBLESHOOTING2 (Individual competition)

Competitors are requested to do	To be marked	Time (min)
● Troubleshooting and machine repair	● Safety work ● Speed ● Achievement	60
● FSR creation	● Correct, clear, and concise report	60

► OVERHAUL & MEASUREMENT (Individual competition)

Competitors are requested to do	To be marked	Time (min)
● Overhaul hydraulic components	● Safety work ● Speed ● Achievement	90
● Overhaul engine (Yammer 4TNV82) ● Measurement	● Safety work ● Speed ● Achievement ● Proper handling of measurement tools ● Accurate measurement	60

► TROUBLESHOOTING RELAY (Team competition)

Competitors are requested to do	To be marked	Time (min)
● Troubleshoot one by one in relay by 4 competitors	● Safety work ● Speed ● Achievement	90

■ AWARDING

Prizes for the individual competitions

- 1) Inspection, maintenance and report
- 2) Troubleshooting 1 (Age 35 or below)
- 3.1) Troubleshooting 2 - With after treatment device task
- 3.2) Troubleshooting 2 - Without after treatment device task
- 4) Overhaul and measurement

*Award certificate and extra prize will go to the best 3 individuals for each competition.

Prizes for the team competition

- 1) Troubleshooting relay

*Award certificate and an extra prize will go to the best team.

*Award certificate will go to the second and third-placed teams.

Prize for the best team in the total score

*Trophy and award certificate will go to the first-placed team.

*Ranked by summing up given points in the 4 individual competitions and team competition.

● Competitions point

Points are given based on the following table.

Point of each individual competitions (Maintenance, Troubleshoot 1, Overhaul)

Rank	1st	2nd	3rd	4th	5th	6th	7th	8th	9th
Point	20pt	18pt	16pt	14pt	12pt	10pt	8pt	6pt	4pt

Point of each individual competitions (Troubleshoot 2)

Rank	1st	2nd	3rd	4th	5th
Point	10pt	8pt	6pt	4pt	2pt

Point of the team competition

Rank	1st	2nd	3rd	4th	5th	6th	7th	8th	9th
Point	30pt	27pt	24pt	21pt	18pt	15pt	12pt	9pt	6pt

*Small gifts will be given to all competitors as a token of gratitude for participation.

■ COMMENTS OF REPRESENTATIVES

KCEI

I'd like to express our heartfelt congratulations to all the participants from all across the world who had gathered here and were successful. We would also like to thank all the staff and related parties who worked hard to plan and prepare for the 2025 Kobelco Service Technical Contest. Technical service is the core competency of KCEI, and we are all proud of the excellent results we have achieved previously. I hope you will enjoy this wonderful opportunity and perform to the best of your ability.

KOBELCO CONSTRUCTION EQUIPMENT INDIA PVT. LTD.
Managing Director & CEO Jun Hayama

KCMA

Thank you KCM for hosting the 2025 Service Technical Contest. It is a great concept and one that our representatives really enjoy their participation. It is important to have fun and some competition while learning more about the Kobelco product. Meeting colleagues from around the world develop a valuable network. I wish all of the participants the best of luck.

KOBELCO CONSTRUCTION MACHINERY AUSTRALIA PTY. LTD.
Managing Director Paul Torrington

KCMC

This year, in addition to KCMC members, one participant from our dealer will also join the contest. We hope all participants will fully demonstrate the knowledge as well as skills they have developed through daily service and take this opportunity not only to compete but also to learn alongside fellow Kobelco service professionals from around the world. We wish the best of luck to all teams, including the China team. Lastly, we would like to express our sincere appreciation to all the staff and related parties who have worked hard to prepare for the 21st Service Technical Contest. We hope the event will be held safely and successfully.

KOBELCO CONSTRUCTION MACHINERY (CHINA) CO.,LTD
Managing Director Masato Iwama

KCME

Congratulations on the 21st Service Technical Contest. KCME is proud to be part of this global event. We distribute excavators across more than 50 countries, spanning Europe, Ukraine, North and West Africa, and Israel. With an annual demand exceeding 100,000 units, our customers' needs are incredibly diverse—from mini excavators to 85-ton machines, SR and conventional types, region-specific custom specifications, and even demolition machines ranging from 20 to 130 tons. The complexity of our market is unmatched. Operating in one of the world's most competitive environments, we work closely with local dealers and machine owners to efficiently manage daily troubleshooting. This year's team represents KCME's finest—our very own “Top Guns.” Regardless of the outcome, we believe the true value lies in communication, collaboration, and mutual learning among fellow Kobelco service professionals. We are confident that the KCME team will showcase the high level of technical expertise they have cultivated in this demanding market. Relax and enjoy the competition. We wish you all the best in your efforts.

KOBELCO CONSTRUCTION MACHINERY EUROPE B.V.
Managing Director Makoto Kato

■ COMMENTS OF REPRESENTATIVES

KCMJ

Congratulations on the 21st Service Technical Contest. My sincere appreciation goes to the organizing office and staff for their dedication. Service is a key pillar of the construction machinery business, playing a vital role in customer satisfaction and trust-building at the frontline. Last year, Kobelco Construction Machinery Japan achieved its first overall victory, and the contest continues to grow in value as a major goal for our service team. This year, top members were selected through the nationwide “Skills Contest Tryout.” To all participants, congratulations. Show your true capabilities, stay confident, and make the most of this opportunity. We look forward to your growth through this experience. Go Team Japan!

KOBELCO CONSTRUCTION MACHINERY JAPAN CO., LTD.
President & CEO Jiro Araki

KCMMEA

Congratulations on holding the 21st Service Technical Contest. Last year, I had the opportunity to join this contest for the first time, and it was a great experience to share the moment of our team's 3rd place achievement. While the results are of course important, I believe the true significance of this contest lies in the opportunity it provides for the team to unite as one and to further develop their skills. I wish you all the best in bringing out the full extent of your knowledge and skills, and hope this will be a meaningful and enriching experience for everyone.

KOBELCO CONSTRUCTION MACHINERY MIDDLE EAST AND AFRICA FZCO.
Managing Director Kentaro Nezaki

KCMSA

Congratulations on the successful hosting of the 21st Service Technical Contest. KCMSA has participated six times so far, but unfortunately, we were unable to fully demonstrate our capabilities last year, resulting in a disappointing outcome. We hope that the KCMSA team will make full use of the knowledge and skills cultivated through daily operations to redeem last year's performance. We also expect that this valuable experience will be brought back to your company and contribute to further improvement of your service skills. Please do your best and approach the contest with confidence.

KOBELCO CONSTRUCTION MACHINERY SOUTHEAST ASIA CO., LTD.
Managing Director Keiji Saito

KCMTS

Congratulations to All Participants of the 21st Service Technical Contest. We warmly congratulate all participants and extend our sincere thanks to everyone involved in organizing this event. To the KCMTS team: your dedication and expertise have brought you to this remarkable stage. We are proud of your achievements and hope you will enjoy connecting with fellow Kobelco professionals from around the world. Wishing you a rewarding experience and every success.

KOBELCO CONSTRUCTION MACHINERY TOTAL SUPPORT CO., LTD.
President & CEO Koji Nakagawa

KCMU

Congratulations on the 21st Service Technical Contest. Thank you for everyone who helped preparing for this event. To all participants, please make the most of the skills you've built through your daily work and take on the challenge with confidence. Special best wishes to the North American team! This contest is a rare opportunity to connect with Kobelco colleagues from around the world. We hope you enjoy both the competition and the chance to build new friendships.

KOBELCO CONSTRUCTION MACHINERY U.S.A. Inc.
President & CEO Masayuki Kimura

■ COMMENTS OF CHAMPIONS FROM 20TH SERVICE TECHNICAL CONTEST

KOBELCO CONSTRUCTION MACHINERY
TOTAL SUPPORT CO., LTD.

Naoki Tomita

Congratulations to all participants of the 21st Service Technical Contest. Winning the Inspection, Maintenance and Report Competition was a great honor, and I felt my daily service work truly made the difference. I sincerely thank the organizers, as well as the workplaces and families who support the participants. Though you may feel nervous, believe in your abilities and enjoy the experience.

■ Winner of Inspection, Maintenance and Report 2

Congratulations on participating in the Service Technical Contest. I'm proud to have taken part and won last year's contest. Working under pressure can be tough, but I encourage you to trust in the skills and knowledge you've built while keep pushing through every challenge. This contest is a great chance to grow and gain confidence—so give it your all and enjoy the experience. I look forward to the day we may work together.

■ Winner of Overhaul & Measurement

Jamy du Plessis

It is with a great pleasure that I would like to say thank you again for the opportunity given to me to represent KCMMEA at the annual competition in 2024. I enjoyed it though it is a bit stressful, we do thrive under pressure and came out successful! I also want to wish the future candidates all the best of luck ,do your best it will be enough stay calm, focus and enjoy it! I do believe each of the chosen are excellent in their field!
Thanks again and GOOD LUCK!

「WINNERS」キャッチフレーズ

本大会に参加する各国・各地域から選抜されたサービスマンを表現する言葉として、「WINNERS(勝者)」をキャッチフレーズとして定め、全世界のコベルコサービスマン1人ひとりが自己研鑽を重ねることでコベルコサービス力の底上げに繋がる大きな大会となるように思いを込めました。

「デザイン」コンセプト

グローバルに活躍するサービスマンとコベルコショベルのシルエットを使い、サービス技能大会が10年以上続く、歴史あるグローバルな大会であることを表現しました。また、格式のある大会イメージとして競技の優勝者に名誉のしるしとして与えられる月桂冠をあしらいました。

「WINNERS」呼号

将「WINNERS(勝者)」定为呼号, 这是表示参加本次大会的, 从各国・各地区被选拔的服务人员的词。我们希望此次大会能够成为使全世界的每一位神钢服务人员, 积累自我钻研, 从而提高神钢服务力的盛大的大会。

「设计」主题

以在全世界活跃的服务人员与神钢挖掘机作为轮廓, 表现服务技能大会是持续10年以上的、具有历史的全球性大会。另外, 将作为名誉的象征颁发给大赛冠军的桂冠加入到设计里面, 打造出具有排场的大会的形象。

Catch Phrase of "WINNERS"

We determined to use "WINNERS" as a catch phrase, which expresses service persons selected from each of countries and areas to participate this Contest. We put our hope in this catch phrase that the Contest will be a big contest leading to enhance Kobelco service abilities with accumulated self-efforts of each service person in all over the world.

Design Concept

By using silhouettes of a globally working service person and Kobelco excavator, Service Technical Contest is expressed as a historical and global contest lasting 10 years or more. Also, a laurel wreath, which is given to a competition champion as a token of honor, is laid out as an image of formality of the Contest.
